Special Contract Offer ORDER SHEET

SEASON OF 1951

Wholesale Vine Seed Growers

Gentlemen:

We are pleased to send you our Contract Offer and prices for orders to be booked for next fall delivery after harvest of the seed crops, under the terms and conditions named in the offer, and pro-rata delivery if the crops are short or not suitable for seed purposes.

Our Vine Seed crops are grown from selected seed stocks and we believe will compare with other well established and reliable Growers, and the quotations are for Orders to be received in time to allow us to contract the acreage to cover your requirements or our acreage allowing us to book your order, subject to our confirmation.

We trust the prices quoted will meet your approval, or that you will request prices according to kinds and quantities required, also other kinds you may require which we will try to arrange to book for you.

On account of the shortage of labor and higher wages, also higher farm equipment, Vine Seed prices must be higher than in recent years, to the Vine Seed Growers and the Seed Trade.

We will appreciate your contract order early or an opportunity to book same if you have been quoted lower prices by other well established Growers.

Yours truly,

WESTERN SEED & IRRIGATION CO.

Wm. Emerson, Manager
